## **VI. Reporting and Appointment**

1. The accepted applicants for this recruitment are to be hired from February 1, 2022. If there is not enough time to complete the appointment process due to the lack of a teacher certificate, the appointment period will be postponed to August 1, 2022. Job performance will be evaluated every year and the employment contract can be renewed every year based on performance.
2. The school will notify the applicants in writing that they must submit relevant documents and submit a medical examination report from a public hospital within the latest month (including the X-ray pulmonary fluoroscopy certificate) to the school before the deadline. Those who fail to report after the due date without a good reason, or those who fail to submit the certificate of departure from their original service organization will lose the job offer. The job will be offered to the

next candidate on the waiting list.

3. We will disqualify any applicant who has infectious diseases that hinder teaching, fails to submit health checkup reports, or is not permitted to serve as a faculty member under the circumstances of Article 14, paragraph 1 of the Teachers' Act, and Articles 31 and 33 of the Act Governing the Appointment of Educators shall be disqualified.

**VII.** If there are any unsettled affairs, please refer to relevant laws and regulations such as University Act, Teachers' Act, Act Governing the Appointment of Educators, and National Yunlin University of Science and Technology's Administration Directions for Using School Funds to Hire Project-Based Faculty.
